

Shallowford Falls Classroom Communication  
Mrs. Sanford  
Week of: October 14-18

**Classroom Information:**

- Want to know what your 5<sup>th</sup> grader will learn this year? Check out: [5th Grade Frameworks All Subjects](#)
- Stay informed about what apps & social media your child is using via the "Parents Need to Know" tab on this website: <https://www.commonsemmedia.org>

**Conferences:** Please be on time for your conference time next week. Looking forward to meeting with you next week to talk about your student.

**Spelling Bee Lists** will be on Edmodo for you to study. Classrooms will have a class spelling bee in their Reading/ELA class by October 25, 2019.

**STEM Lab** loves volunteers! This is a class full of hands on activities and parent involvement is so helpful to the success of students. Thank you for taking time to come and help students and Mrs. Mills!

**Curriculum Update:**

**Math:** Dividing Decimals

**Reading:** Point of View/Perspective for Reading

**Writing:** Narrative (Publishing)

**Content:** Classifying Organisms (Unit 2)

**School News:**

Mission: Relationships, Rigor, and Relevance for All

Vision: A school of excellence where learners reach their potential.

- **Conference Week:** October 14-18: Students will be dismissed two hours early each day. FAST clubs will not meet during this week. We look forward to seeing you!
- **Walk to School Day:** October 25
- **ASP and Fast Clubs:** If an emergency arises and your child needs to attend ASP after a FAST club, you will be responsible for the charges incurred for the day. In addition, if your child attends FAST clubs, it is best practice to have an ASP registration on file. Thank you
- **Car line:** Please be courteous and patient as you go through the car line. We want to keep our students and staff safe.
